Rules for Super Bowl Commercial Bingo

One Box Per Commercial: You can mark only one box for each commercial, even if it matches multiple squares. Choose the most fitting square!

Watch Closely: Pay attention to every detail in the ads to spot elements that match your bingo squares.

Free Space in the Center: Use the "FREE SPACE" to your advantage—it's already marked!

First to Bingo Wins: The first person to get five squares in a row (horizontal, vertical, or diagonal) shouts "BINGO!" and wins.

Double Check: If someone calls Bingo, verify their marked squares to confirm the win.

Optional Challenges: Add extra fun by rewarding bonus prizes for the first person to fill the entire card (Blackout Bingo).
